This policy has been reformatted for placement on Sandia's External Web site.

Background - 2.6.P.1

SNL's prime contract with DOE requires the Supplier Information and Relations Department, in conjunction with the Procurement and Logistics Center (SNL/NM) and Procurement Department (SNL/CA), to set annual goals for commercial awards to small, small disadvantaged, women-owned, and set-aside concerns. SNL is responsible for effectively implementing the small business programs including achieving program goals and to ensure that all reasonable actions are taken to promote participation by these businesses.

Policy - 2.6.P.2

It is SNL policy to provide small, small disadvantaged, and women-owned businesses the maximum opportunity to participate in the award of contracts and POs issued.
